

# CLASSROOM NEWS

Ms. Lisa's

January 2018

## General Information

Welcome to 2018! I hope that you have all enjoyed the holiday season and are ready to get back into a regular routine once again.

In Preschool this month, the children will engage in activities/lessons centering around winter animals, our five senses, nursery rhymes and musical instruments. Our number is 5 and our shape is star so be sure to reinforce these concepts at home. The children will learn about kindness and sharing this month as well. What a nice way to start 2018!
