

CLASSROOM NEWS

Ms. Lisa's

January 2019

General Information

Welcome to 2019! I hope that you have all enjoyed the holiday season and are ready to get back into a regular routine once again.

In Preschool this month, the children will engage in developmentally appropriate lessons and activities centering around our monthly themes. Our number is **5**, our shape is the **star** and our color is **white** so be sure to reinforce these concepts at home. The children will also learn about how important it is to **be kind** to one another. What a nice way to start 2019!

As always, please feel free to contact me with any concerns. lglaser@ctfarms.org

This month each family will be asked to dress up a snow person. Everything you need to start this project will be sent home in your child's folder.
