

CLASSROOM NEWS

Ms. Lisa's

March 2019

General Information

March is here and Spring is right around the corner! This month is going to be very busy for our preschool school children but they are doing very well. They all seem to be enjoying our routine and have grown so much since September. *(Please review the calendar on the back of this newsletter for important dates.)*

If you need to reach me please call the school or e-mail me at: lglaser@ctfarms.org

Thank you.
