

April 2019

Hello Families!

Spring has sprung! A lot was accomplished in March. We learned many things from our various themes and we finished the entire alphabet! We will review the letters and sounds they make, please continue to reinforce them with your child at home. Repetition the key to learning. We will also continue to review our numbers - concentrating on 11-20.

On April 4th the Union Twp. EMT and Police will be coming to our school. They will bring an ambulance and police car. Also, we are having an Easter Party on Friday, April 12th.

The end of the year is approaching fast and each week seeming to pass more quickly than the last. The end of April is a good time to begin talking to your child about their next "big step" whether it be Kindergarten or Pre-K. Tell them the name of their new school and take them to see it. If your child will be returning next year, mention to them that they will be meeting new friends. This is an exciting time for your child!

We wish you and yours a joyful Easter and a fun filled Spring!

Ms. B. and Ms. Sheryl
