

March 2019

Hello Parents,

We will be very busy in March and it will begin with celebrating 100 days of School on March 1<sup>st</sup>. February was a sweet month in Pre-K! We celebrated friendship on Valentine's Day, saw a cool magic show and learning about keeping our teeth healthy with a visit from our local dentist, and we also had a visit from the nutritionist from Shop Rite and the children had the opportunity to make a healthy snack. Thank you to all the parents and grandparents to come in and shared their heritage, the children learned a lot and had wonder time learning. This month we will begin practicing our phone numbers. Please continue to work on cutting with scissors at home. It is a crucial skill for Kindergarten! Your help and encouragement in doing schoolwork is so very important in your child's growth and development! Keep up the good work!

Mrs. B. and Ms. Sheryl

Happy St. Patrick's Day!

### Mark Your Calendars!

- 3/1 - 100<sup>th</sup> Day of School
- 3/4 - Happy Birthday Dr. Seuss join us for Read Across America (wear your Pajamas to school, bring in your favorite book and bring a pair pajamas to donate too!
