

May 2019

Hello Families;

Wow Parents! This year has gone by very fast. Summer is just around the corner. We will review all the alphabet letters and their sounds, as well as continue reviewing our numbers. We will focus on numbers 14, 15, 16, and 17. This month we will go to the Turtle Back Zoo for our end of the year trip, and watch caterpillars become butterflies!

The children have grown so much since September and will continue to do so in these last months of school. We are very proud of each and every one of them! They are all superstar kids and shining more brightly with each passing day. Thank you as always for your continued support!

Happy Mother's Day to all the Moms, Grandmas, Aunts, and Godmothers!

Mrs. B. and Ms. Sheryl
