

June 2017

Dearest Families,

It is with deepest thanks and gratitude that we return to you your bright and shining stars. We thank you for entrusting them to our care and allowing us the privilege of teaching and learning with them. They have enriched our lives by filling it with joy and laughter every day and bringing out the very best part of us as educators. We hope that your child has had a year full of fun, friendship, and learning and that you as their family have witnessed them grow smarter, stronger, and kinder during this school year. We wish each of them good health, much love, and joy in the journey as they continue to grow. Have a safe and happy summer. Take joy in the little moments with them. Always remember we love a visit from our graduates now and again!

Warmly,

Ms. Kate, Ms. Sheryl, and Ms. Jo
