Mission

The goal of Connecticut Farms Church Nursey School is to make the first "Giant Step" away from home a happy and secure one. We believe that children are eager to learn and they learn best through exploration and appropriate hands-on learning experiences. We offer a wide variety of activities that contribute to the physical, social, emotional and cognitive development of the child. The School is Supervised by State Certified Teachers and Director. We are licensed by the State of NJ and all staff meet State Requirements. We offer spacious classrooms, full size gym, and a fenced in outdoor play area.

About Us

The Preschool has classes for children 3 and 4 years old where basic skills are developed and reinforced in a fun, yet structured environment. We do take some 2 1/2 year olds, but they must be potty trained. Classes are offered either 2 or 3 or 5 days. The 4 and 5 year olds will be in a Pre-K class that meets 5 mornings or 5 afternoons a week or you can choose a full day option.
