

# CLASSROOM NEWS

Ms. Lisa's Class

November 2023

## General Information

November will be filled with conversations about what it means to **be thankful** as well as lessons about the very first Thanksgiving. The children will also continue reviewing their colors, shapes and numbers.

**Please refer to the calendar printed on the back for important dates.**

On November 22 the children will enjoy a Thanksgiving celebration just as the Pilgrims and Wampanoag people did with some yummy food to share.

Happy Thanksgiving to you all!

Ms. Lisa
