## Mrs. Jessica's Class Pre- K 2024

I am “snow” happy to have everyone back in class. This month we will learn about snow, ice, polar and hibernating animals. Towards the end of the month, we will focus on different cultures around the world. This is one “chill” class because there’s “snow” place like Pre-K.

### What we will explore this month:

- Ice and snow
- Hibernating and polar animals
- International/cultural show and tell
