

March

Mrs. Jessica's Class
Pre-K 2024

In the search for the pot of gold, we are bringing March activities into the fold. Last month we showed kindness for ourselves and others and had a lovely Valentines Day party. This month we are focusing a full week on the joys of reading, instruments and transportation. May you all find lots of gold at the end of your rainbow.

What we will explore this month:

- Read Across America
- Authors/types of books
- Instruments
- Transportation
- Letters Tt-Ww
- Number 20-number review

Quote of the month:
“A leprechaun is small and green; he hides where he cannot be seen. But if you catch him on the day, he must give his gold away!”

Reminders

- March 4th-8th- Mystery Guest Readers for R.A.A week.
